Road Map Project
Discover

College & Career Exploration Week!

MONDAY 10/14: #DISCOVERLOCALJOBS

Washington State employers are expecting 740,000 job opening by 2021!

Watch your email and check South's social media to learn more about WorkSource. We have services to help you learn about these exciting careers and connect it to your college experience. Meet our Embedded Career Specialists and see how they can help!

TUESDAY 10/15: #LEADYOURCOMMUNITY

Connect to the many leadership opportunities around campus to get involved and be a leader in your community through Student Life! Connect to our Benefits Hub and find out about volunteer opportunities. See what two of our South Alumni's are doing in their careers at the Benefits Hub to give back.

WEDNESDAY 10/16: #CLASSROOMTOCAREER

Check out our social media channels as we highlight a few of our esteemed faculty about their connections of the career and the classroom. Ask YOUR Faculty or Staff supporters about their transition into their college or career!

THURSDAY 10/17: #COLLEGEANDCAREERGEARDAY

Faculty and Staff will be wearing gear from colleges they attended, Career Gear from their field, or SSC Otter Gear to show their school pride. You'd be surprised how many people have attended a college you might be thinking about transitioning to or worked in a career field you can see yourself in.

FRIDAY 10/18: #FLASHFORWARDFRIDAY

What do you see when you envision your future? Come by the Info Desk or print a copy of this DiscoverU Poster and write down your future career. Take a selfie, tag South Seattle College, and add the hashtag #FlashForwardFriday to showcase your dream.
